# POA 2010

<p><b>Inter-governmental voice in energy matters</b></p> <p style="text-align: right;"><b>A</b></p>	<p><b>To be efficient, (effective) in meeting Member Countries needs</b></p> <p style="text-align: right;"><b>B</b></p>	<p><b>To be the agency that proactively influences the region's energy policies</b></p> <p style="text-align: right;"><b>C</b></p>
<p><b>To promote projects that enable energy integration among member countries.</b></p> <p style="text-align: right;"><b>A.I</b></p>	<p><b>Identify current and future member needs and offer options.</b></p> <p style="text-align: right;"><b>B.I</b></p>	<p><b>Product and service innovation in Member Countries.</b></p> <p style="text-align: right;"><b>C.I</b></p>
<p>Electricity distribution system planning.</p> <p style="text-align: right;">A.I.1</p>	<p>Regional final energy use survey – Phase II.</p> <p style="text-align: right;">B.I.1</p>	<p>Rural Electrification – Phase II</p> <p style="text-align: right;">C.I.1</p>
<p>Feasibility studies for power transportation in the Member Countries.</p> <p style="text-align: right;">A.I.2</p>	<p>Energy Efficiency Program for Latin America and the Caribbean – PALCEE (from the Spanish).</p> <p style="text-align: right;">B.I.2</p>	<p>OLADE Web page links with the sub-regions (4).</p> <p style="text-align: right;">C.I.2</p>
<p>Coordination and cooperation for integration and institution building in Central America and Mexico.</p> <p style="text-align: right;">A.I.3</p>	<p>Climate Change – Programatic CDM.</p> <p style="text-align: right;">B.I.3</p>	<p>Consulation and evaluation: Sub-regional virtual and face-to-face meetings for integration.</p> <p style="text-align: right;">C.I.3</p>

## POA 2010

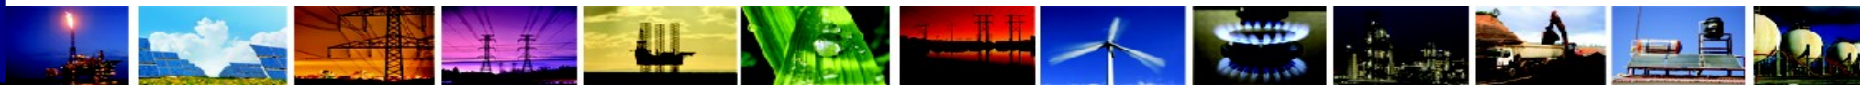

<b>Inter-governmental voice in energy matters</b> <span style="float: right; border: 1px solid black; border-radius: 50%; padding: 2px 6px;">A</span>	<b>To be efficient, (effective) in meeting Member Countries needs</b> <span style="float: right; border: 1px solid black; border-radius: 50%; padding: 2px 6px;">B</span>	<b>To be the agency that proactively influences the region's energy policies</b> <span style="float: right; border: 1px solid black; border-radius: 50%; padding: 2px 6px;">C</span>
Matrix of actions for energy integration and development in Central America. <span style="float: right;">A.I.4</span>	Regional Biocofuel Program – Biofuel Network. <span style="float: right;">B.I.4</span>	
Central American study on energy sector (hydropower) vulnerability to climate change an appropriate adaptation measures. <span style="float: right;">A.I.5</span>	Energy, Environment and Population – Phase II. <span style="float: right;">B.I.5</span>	
Regional and sub-regional meetings to the Member Countries for integration. <span style="float: right;">A.I.6</span>	Developing guidelines to calculate technical losses in power distribution systems. <span style="float: right;">B.I.6</span>	
Coordination and cooperation for energy integration and sustainable energy development in the Caribbean. <span style="float: right;">A.I.7</span>	Exchange Matrix. <span style="float: right;">B.I.7</span>	

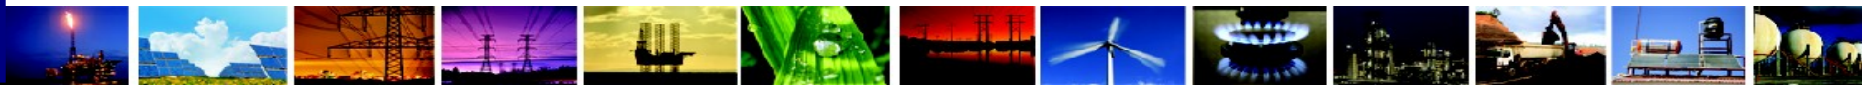

# POA 2010

<b>Inter-governmental voice in energy matters</b> <span style="float: right; border: 1px solid black; border-radius: 50%; padding: 2px 5px;">A</span>	<b>To be efficient, (effective) in meeting Member Countries needs</b> <span style="float: right; border: 1px solid black; border-radius: 50%; padding: 2px 5px;">B</span>	<b>To be the agency that proactively influences the region's energy policies</b> <span style="float: right; border: 1px solid black; border-radius: 50%; padding: 2px 5px;">C</span>
<b>To promote OLADE as a forum for experience exchange.</b> <span style="float: right;">A.II</span>	<b>To modernize the regional energy information system and keep it updated.</b> <span style="float: right;">B.II</span>	<b>Promotion of energy planning methods and models.</b> <span style="float: right;">C.II</span>
Hydrocarbons workshop: State investments downstream. <span style="float: right;">A.II.1</span>	Regional Energy Information System. <span style="float: right;">B.II.1</span>	OLADE Strategic Planning 2023. <span style="float: right;">C.II.1</span>
Sharing experiences on the hydrocarbon sector in Latin America and the Caribbean. <span style="float: right;">A.II.2</span>	Economic and Energy Information System (SIEE) maintenance. <span style="float: right;">B.II.2</span>	Energy Planning Manual for Latin America and the Caribbean. <span style="float: right;">C.II.2</span>
Developing research and analysis in the hydrocarbons sector. <span style="float: right;">A.II.3</span>	Energy Statistics Report. <span style="float: right;">B.II.3</span>

ENERLAC Magazine.  <span style="float: right;">A.II.8</span>	Digitalization of GIS maps to follow up on energy integration initiatives.  <span style="float: right;">B.II.8</span>	
V Regional Energy Integration Forum, FIER 2010.  <span style="float: right;">A.II.9</span>		
AFROLAC III.  <span style="float: right;">A.II.10</span>		
ASIALAC I.  <span style="float: right;">A.II.11</span>		

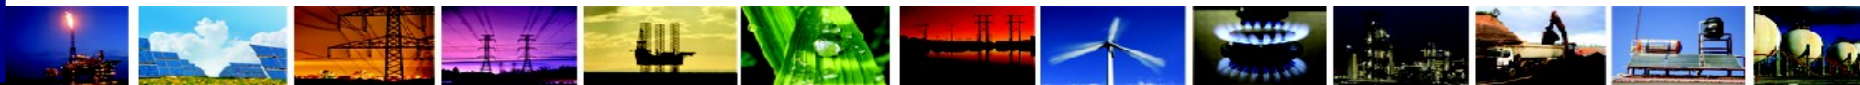

## POA 2010

<b>Inter-governmental voice in energy matters</b> <span style="float: right; border: 1px solid black; border-radius: 50%; padding: 2px 6px;">A</span>	<b>To be efficient, (effective) in meeting Member Countries needs</b> <span style="float: right; border: 1px solid black; border-radius: 50%; padding: 2px 6px;">B</span>	<b>To be the agency that proactively influences the region's energy policies</b> <span style="float: right; border: 1px solid black; border-radius: 50%; padding: 2px 6px;">C</span>
<b>To strengthen OLADE as an official source of information in the energy miliu.</b> <span style="float: right;">A.III</span>	<b>Training for Member Country officers.</b> <span style="float: right;">B.III</span>	<b>Developing the OLADE Financial Fund (FOLADE).</b> <span style="float: right;">C.III</span>
Data base on public oil block auctions. <span style="float: right;">A.III.1</span>	10 Courses of the CAPEV 2010 program. <span style="float: right;">B.III.1</span>	
Databases of taxes, royalties and shares. <span style="float: right;">A.III.2</span>	Virtual Communication system licence. <span style="float: right;">B.III.2</span>	
Study on best practices in climate change programs in Latin America and the Caribbean – Climate Change Network. <span style="float: right;">A.III.3</span>	Postgraduate program in Energy and Social inclusion. <span style="float: right;">B.III.3</span>	

## POA 2010

<b>Inter-governmental voice in energy matters</b> <span style="float: right; border: 1px solid black; border-radius: 50%; padding: 2px 6px;">A</span>	<b>To be efficient, (effective) in meeting Member Countries needs</b> <span style="float: right; border: 1px solid black; border-radius: 50%; padding: 2px 6px;">B</span>	<b>To be the agency that proactively influences the region's energy policies</b> <span style="float: right; border: 1px solid black; border-radius: 50%; padding: 2px 6px;">C</span>
Review of lessons learned with renewable energy programs in Latin America and the Caribbean – Renewable Energy Network. A.III.4	Executive Development Program – Planning. B.III.4	
Renewable Energy Observatory. A.III.5	SICVE. B.III.5	
Evaluation of energy program outcomes and indicators – Network of Institutions in Latin America and the Caribbean. A.III.6	Diversifying Training Offerings. B.III.6	
	Institutional strengthening for Member Countries integration. B.III.7	

The cheapest energy is that which is not consumed,  
and the most expensive is that which is not available.

*Rational use ensures sufficient supply.*

*Efficiency brings sustainable development benefits for the people,  
to meet the basic needs of housing, food, health, and education,  
mitigate poverty and preserve the environment.*
